May 2022 Seasonal Pack options - choose ONE of the following:

Pack 1

New Release 2021 Mixed Pinot Noir Pack

Two brand new release 2021 pinot noirs – our Single Vineyard and Red Claw releases. The mild and even ripening conditions meant patience was essential in 2021, to ensure thorough and complete ripening of the fruit. And these pinot noirs show the reward of that patience and care. The wines have intense and complex aromas and are super fine and silky on the palate, with layers of red fruits and florals. Enjoy the Red Claw today and put the Yabby Lake down in the cellar for 5 – 10+ years.
